

# An Introduction to Proof via Inquiry-Based Learning

## Errata

Dana C. Ernst

August 17, 2022

All errors listed below have been corrected in the version of the book that has been compiled from the current source. Page numbers below reference the print version of the textbook published by AMS/MAA Press.

If you think you have found any errors not already listed here, please submit an issue on [GitHub](#) or send me an email at [dana.ernst@nau.edu](mailto:dana.ernst@nau.edu).

- Page 63, line 1: Missing the word “the” between “into” and “structure”.
- Page 158, line 1: Missing the word “look” between “If” and “you”. [Roy St. Laurent]
